

## Garibaldi Plaza, Mexico City

In the traditions of old, city plazas have been the meeting places of people for centuries. They are where the full vibrancy and soul of the city can be found. A place where people gather to celebrate, to take part in each other's company while enjoying good food and drink. Dancing, music, food and friends combine into something special. This is the heart of Garibaldi Restaurant and Catering, what we were formed upon. Allow us to provide the cultural flavor of Mexico for your next event.
